Touching lives, transforming futures.

Enhancing Skills, Igniting Ambitions

Vaishali Skill Development Center (VSDC) is a benchmark initiative that will make a difference for the better. Founded in 2017, VSDC is toiling hard in the realm of educational excellence and community development. Committed to sustainable principles, it will uplift individuals and communities through education and skill empowerment Initiatives.

VSDC is ISO 9001:2015 Certified registered as a non-profit organisation, 12A, 80G, CSR form 1

VSDC – committed to empowering

The mission and vision statements of VSDC reflect its unwavering commitment and focus to uplifting and empowering the Indian youth through education. Its core values of integrity, collaboration, innovation and empowerment lie at the heart of its operational philosophy, fostering a supportive and inclusive environment.

Mission

VSDC envisages India becoming the “Skill Capital of the World” through the positive impact it has on the community. It seeks to accomplish this by enhancing individuals' capabilities and opportunities & by empowering them with the skills and knowledge necessary for a better future.

Vision

VSDC believes in a future where excellence in skill development is given its due recognition and where it can positively influence lives and communities on a global scale.

VSDC – stressing sustainable development

VSDC is actively pursuing sustainable development goals to uplift individuals and communities.

A Dynamic professional with 16+ years' experience in Paid Projects, CSR, Skill Development, Franchising, dedicated to positive change and growth.

CSR overview

VSDC implements CSR programmes through our own team and also with the help of like-minded partners and local institutions. Diverse community-based CSR projects and multi-stakeholder interventions are focusing on inclusive growth and building a better and sustainable way of living.

Primary focus areas and reasoning

VSDC wheels of wellbeing (Health and hygiene)

- ▶ The Health Camp on Wheels, will provide accessible and affordable healthcare services directly to urban communities. This will help to reach people who live in difficult remote areas and are unable to access necessary health care services
- ▶ VSDC will reach those vulnerable groups and assure their mental, physical and emotional wellbeing & spread awareness on the health care activities of both men and women.

VSDC women thriving initiatives (Women empowerment)

- ▶ These Initiatives are vital for gender equality, empowerment, community development, economic growth, and achieving global goals for sustainability and justice.
- ▶ VSDC focuses on women empowerment, entrepreneurship, and upskilling/reskilling child care givers, prioritizing these domains for impactful community development.

VSDC learn hub (Education)

- ▶ Education awareness is crucial for informed decision-making, promoting access, unlocking opportunities, and fostering societal progress through lifelong learning.
- ▶ VSDC conducts diverse awareness initiatives-workshops, community outreach, online campaigns, school visits, and partnerships - to foster learning opportunities and community empowerment.

VSDC skill shape (Skill development)

- ▶ Skill development is a mandate as it ensures employability, fosters innovation, and drives economic growth, supporting personal advancement and societal progress.
- ▶ VSDC offers skill training across 10+ sectors, aligning with industry demands to enhance employability and meet workforce needs.
